Contract prices and terms are to remain firm through project completion. The Proposer shall provide information on their standard fee arrangement for any goods and/or services proposed, and any discounts offered.

DOCUMENT INTERPRETATION

In the event of any conflict of interpretation of any part of this overall document, the interpretation of FPCS shall govern consistent with the laws of the District of Columbia. Wherever the term "Proposer" is used throughout the RFP, it includes the Proposer's agents, employees, directors and/or assigns even if not specifically delineated.

HOLD HARMLESS AGREEMENT

The successful Proposer(s), its agents, employees (paid or volunteer), directors and/or assigns shall indemnify, hold harmless, and defend FPCS, its directors, officers, and employees (paid or volunteer) from and against any and all claims, demands, causes of action of whatever kind or nature arising out of error, omission, misrepresentation, negligent act, conduct or misconduct of the Proposer and its agents, employees (paid or volunteer), directors and/or assigns in the provision of goods or the performance of services arising out of the preparation of this proposal and execution and performance of any contracts resulting there from. Such indemnification shall also include reasonable attorneys' fees, court costs, and expenses.

INSPECTIONS

FPCS reserves the right to inspect any item(s) or service location for compliance with specifications, requirements, and the needs of FPCS. If a Proposer cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, FPCS can reject the proposal as inadequate.

TESTING

FPCS reserves the right to test equipment, supplies, materials and goods proposed for quality, compliance with specifications and ability to meet the needs of FPCS. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, the proposal is subject to rejection.

INVOICES AND PAYMENTS

The Proposer who is awarded the contract is required to send all invoices to FPCS's reference point of contact and to **Accounts Payable at: invoices@friendshipschools.coupahost.com or mailed to 1400 First Street NW, suite 300, Washington DC 20001.** Invoices shall be provided

FPCS will not be responsible for any interest charges and/or late fees as a result of delayed payment due to time delays caused by inadequate, incomplete, or inaccurate information provided in invoices.

PRICING

Prices for all goods and/or services shall be negotiated to a firm amount for the duration of the contract or as agreed to in terms of time frame and/or method of determining price escalations, if any by Proposer. All prices and methods of determining prices must be written in ink or typewritten. Where unit pricing and extended pricing differ, unit pricing prevails.

SUPPLEMENTAL MATERIALS

Proposers are responsible for including all pertinent product data in the returned offer package. Materials such as legal documents and contractual agreements, which the Proposer wishes to include as a condition of the proposal, must also be in the returned proposal package. Failure to include all necessary and proper supplemental materials may be cause to reject the entire proposal.

TAXES

FPCS is exempt from federal, state and local taxes. In the event that taxes are imposed on the goods or services purchased, FPCS will not be responsible for payment of the taxes. The Proposer awarded the contract shall absorb the taxes entirely. Certificates of exemption will be furnished upon written request to FPCS.

TERM CONTRACTS

Any contract which results from this RFP shall run for three-year period with an exclusive option by FPCS to renew on an annual basis. There is to be an additional 90-day transitional period added to the end of the contractual agreement which may be exercised at the option of FPCS. The contractual prices, terms and conditions are to remain in force during the transitional period.

The successful Proposer, as determined by FPCS, shall be required to execute a contract to furnish all goods and/or services and other deliverables required for successful completion of the proposed project. No Proposer shall obtain any interest or right in any award until FPCS has executed a contract, and any such interest and rights shall be subject to the terms and conditions as contained in such contract.

The successful Proposer may not assign, sell, or otherwise transfer its interest in the contract award or any part thereof, without prior written consent from the FPCS.

QUANTITY

CONTRACT TYPE

Stipulated Sum Contract, (AIA A101-2017)

TERMINATION

FPCS reserves the right to terminate the contract without cause with 60 days' prior written notice for convenience and with 30 days' prior written notice for cause, if Proposer breaches any of the terms therein, including warranties of proposer or if the proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which FPCS may have in law or equity. Cause may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all services required to FPCS's satisfaction and/or to meet all other obligations and requirements.

If the Proposer breaches any provision of the proposal stipulations, becomes insolvent, enters voluntary or involuntary bankruptcy, or receivership proceedings, or makes an assignment for the benefit of creditors, FPCS will have the right (without limiting any other rights or remedies that it may have in the contract or by law) to terminate any contract with 30 days' prior written notice to the Proposer.

FPCS will then be relieved of all obligations, except to pay the reasonable value of the supplier's prior performance (at a cost not exceeding the contract rate). The Proposer will be liable to FPCS for all costs exceeding the contract price that FPCS incurs in completing or procuring the service as described in the proposal. FPCS's right to require strict performance of any obligation in this contract will not be affected by any previous waiver, forbearance, or course of dealing.

TRANSITION

Once an executed contract with the Proposer terminates for any reason, FPCS reserves the right to have a period of time to transition the contracted services provided to FPCS by the Proposer to a new provider. During this transition period, FPCS will pay for these goods and/or services to the provider at the negotiated rate(s) in existence at that time. FPCS further reserves the right to establish the length of the transition period and communicate this transition time period to the provider; however, such transition period shall not exceed 180 days.

FUNDING OUT OPTION

Any contract resulting from this RFP is contingent upon the continued availability of budget appropriations and is subject to cancellation, without penalty to FPCS, either in whole or in part, if funds are not appropriated by the FPCS Board of Directors, or otherwise not made available to FPCS. All outstanding invoices will be paid upon cancellation.

WARRANTIES

Proposers shall furnish all data pertinent to warranties or guarantees which may apply to items in the proposal. Proposers may not limit or exclude any implied warranties.

ASSOCIATION

Proposers may not use the FPCS official logo(s), or any phrase associated with FPCS, without the written permission from FPCS.

EXCEPTIONS, ALTERATIONS, ADDITIONS and MODIFICATIONS

If any exceptions, alterations, additions, or modifications are submitted by Proposer to any portion of this RFP, the Proposer must clearly indicate the exceptions, alterations, additions and modifications and include a full explanation as a separate attachment to the proposal. The failure to identify exceptions, alterations, or modifications will constitute acceptance by the proposer of the RFP as proposed by FPCS. FPCS reserves the right to reject a proposal containing exceptions, alterations, additions, or modifications.

PROPOSAL PREPARATION COSTS

All costs related to the preparation and submission of this proposal shall be paid by the Proposer. Issuance of this RFP does not commit FPCS, in any way, to pay any costs in the preparation and submission of the proposal, nor does the issuance of the RFP obligate FPCS to award a contract or purchase any goods and services stated in the RFP.

RETENTION OF PROPOSAL DOCUMENTATION

All proposal materials and supporting documentation that is submitted in response to this proposal becomes the permanent property of FPCS.

MODIFICATION/WITHDRAWAL OF PROPOSAL

Proposals may be modified in writing at any time prior to the due date. Proposals may be withdrawn in writing, by facsimile written transmission, or in person before the response date.

SPECIAL REQUIREMENTS/INSTRUCTIONS

EVALUATION AND AWARD

This RFP in no manner obligates FPCS to the eventual rental, lease, and purchase, etc. of any equipment or service described, implied or which may be proposed, until confirmed by a written

contract. Progress toward this end is solely at the discretion of FPCS and may be terminated at any time prior to the signing of the contract. FPCS may initiate discussions with supplier personnel authorized to contractually obligate the supplier. Discussions will develop into negotiating sessions with the successful Proposer(s).

If FPCS is unable to agree to contract terms, FPCS reserves the right to terminate contract negotiations with a Proposer and initiate negotiations with another Proposer. FPCS reserves the right to select services from any number of Proposers if in its sole discretion it is in the best interest of FPCS to do so. Evaluation will consider the proposal(s) best meeting the needs and requirements of FPCS and such evaluation and determination of best value shall be solely at the discretion of FPCS.
