Adding Students

If you already have a PowerSchool ID and password in your district's PowerSchool Parent Portal and have added students to your account, sign in to [link your account](#).

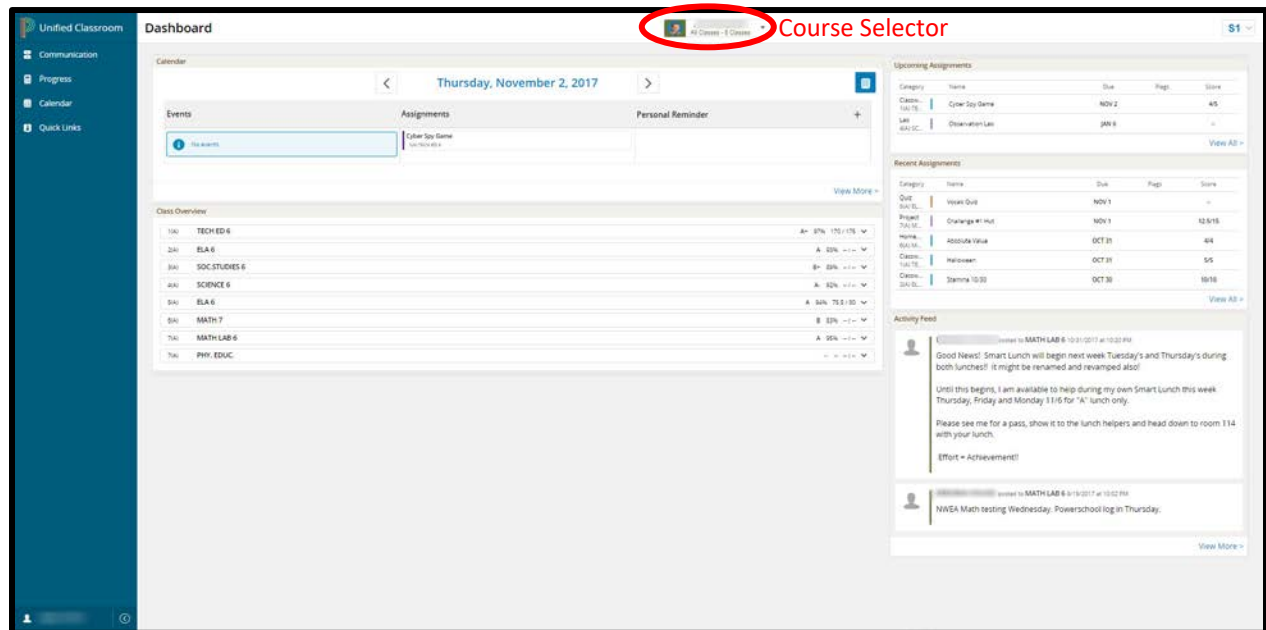

1. On the Welcome to Unified Classroom screen, click **I Have an Access ID**.

2. Enter the student's name, Access ID, and Access Password. Access IDs and Access Passwords are provided by your school via email or mail.
3. Select one of the following:
 - Click **Add another Student** and enter the student's name, Access ID, and Access Password.
 - Click **Continue** to proceed to the Unified Classroom Dashboard.

Students you add to your account appear in the [Student Selector](#) in Unified Classroom.

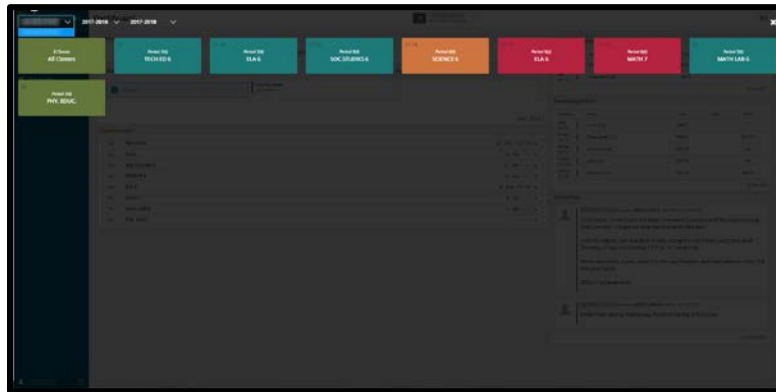

Parent Dashboard Screen
