

## Student Portal Instruction

Welcome to Unified Classroom, Friendship PCS' new student portal. The portal will allow students to access their grades, courses, attendance, and messages from their teacher.

**Step 1: Visit [classroom.powerschool.com](https://classroom.powerschool.com)**

**Step 2: Click on "Sign In With Google" and enter your school issued Gmail account.**

**Note:** If a student is unable to login with clicking google, the student should contact their teacher.

### Navigating Unified Classroom

The [Dashboard](#) appears when you sign in to Unified Classroom. A tool bar appears at the top, and is common to every page in Unified Classroom.

**Unified Classroom logo** - Click the Unified Classroom logo to return to the Dashboard page.

**Term Selector** - Choose the reporting term you want to work with.

**Communications** - Click to view new notifications on the [Activity Feed](#) or new [Messages](#) from your teacher.

**Help** - Click to view the online help.

**Search** - Click to enter text to locate specific information in Unified Classroom.

### Student/Class Selector

Click the arrow next to the **Student/Class Selector** at the top of the page.

Select **Classes** or **Groups**, then select from the student, school year, and term drop-down menus to choose the context for the Dashboard content.
