TWENTY-SECOND ANNUAL
COMMENCEMENT
CEREMONY

THURSDAY, MAY 23, 2024 | 1 PM
AUDI FIELD & FRIENDSHIP VIRTUAL AUDITORIUM

FROM THE CHAIRMAN

Congratulations Class of 2024

Year after year, I watch our impressive graduates walk across the stage with proud, beaming smiles to receive the diplomas that you have justly earned. The opportunity to present these diplomas is a highlight of the year for me, your teachers, your families, and the Board of Trustees of Friendship Public Charter School.

This is a moment brimming over with opportunity. Your next steps will require more of you – more effort, more creativity, and more leadership. But you will persevere because you have persevered and you will succeed because, as this special day acknowledges, you have succeeded!

The day will come some years in the future when you say that you were part of the historic class of 2024. It will happen as part of the recognition as to how the world had to adjust to a pandemic, to tragedy, and to unrest. And you will be among those celebrated as the ones who launched a new era of peace and prosperity.

We celebrate you with congratulations for today and with confidence for the future. The road forward will not be easy, but we are in a time of renewal. We want you to know how very much your lives matter to all of us.

Sincerely,

Donald L. Hense
Founder and Chairman

FROM THE CEO

Be the Change We Seek

Friendship Collegiate Graduates:

True greatness calls for courage and good judgment. Sometimes it seeks patience, sometimes speed. It always requires respect and deep determination.

The graduates you see before you today know something about greatness. They have earned their way to the podium, through no easy path but by learning, understanding, and practicing the principles of greatness.

At Friendship, our graduates have had the opportunity to see the world through many lenses. They have been exposed to the extraordinary and the uncomfortable. They have learned to communicate, both by speaking up and by listening. They have built bridges they had never imagined and built bonds for life.

Always, they have had to work hard. And along the way, each of them has laid the foundations for a lifetime of learning and leadership.

Knowledge is power, never more so than in the hands of the bright, fearless, educated leaders who stand before you today.

Friendship has prepared these graduates not just for college but for all that lies beyond – careers of their choosing. Confidence to face challenges head-on. Contributions to their communities. Most of all, the passion, courage, and capacity to chase their dreams.

And that is truly great. Congratulations 2024 graduates.

We applaud YOU!

FROM MAYOR MURIEL BOWSER

Congratulations

Friendship Collegiate Academy Class of 2024

May 23, 2024

As Mayor of Washington, DC, I am deeply honored to join your family, friends, neighbors, teachers, and your school administrators in extending congratulations to the Friendship Collegiate Academy Class of 2024!

High school is a critical time for self-exploration, personal growth, and taking on new challenges. Even when the challenges you faced were unexpected, such as the global pandemic, you adapted and persevered with the support of the entire District, and I am so proud of you.

Graduating in Washington, DC connects you to the world in a special way. I trust your student experience will continue to empower you to become the best version of yourself and shape your journey beyond graduation into a bright future.

Your future is yours to define. I encourage you to continue to work hard and strive for excellence.

On behalf of the nearly 700,000 residents of Washington, DC, I congratulate you on your accomplishment. May success follow you always.

Muriel Bowser
Mayor, Washington, DC

FROM THE PRINCIPAL

Dear graduates, parents, members of the board, esteemed faculty and staff, honored guests:

It is my greatest pleasure to welcome you to the 22nd Annual Commencement Ceremony for the Friendship Collegiate Academy Early College High School. For the last 16 years, I have had the awesome task of sending our young people into the world with what I hope is sage yet practical advice, words of hope and optimism that still carry the weight of the daunting responsibility that lies ahead. Each year, I struggle with the fact that I am one of the last voices they will hear as children because this ceremony is in fact a celebration of their entrance into the adult world. In this ceremony they cross the threshold, leave childhood and childish concerns behind to grandly enter the world of university and work.

As I began to prepare my final words to the Class of 2024, I found myself thinking deeply about world quite different from the world parents, your teachers, or I entered upon graduating high school and college. As a nation, we face unprecedented challenges: an economic recession, an energy crisis, the ongoing cultural wars, and the environmental threat. In our communities, some of us face even bleaker possibilities as we battle addiction, poverty, and a pervasive, persistent sense of hopelessness.

Yet even in the midst of pain and crises, opportunities bloom. There is an abundance of beauty, hope, and optimism. I see this optimistic determination everyday as I travel throughout the building. I see it, as I look out in the audience at your eager, young, gifted faces, so ready to begin the next chapter of your lives. As you can see, the world is desperately awaiting your dogged persistence, unwavering commitment, steady patience, generous compassion, steadfast responsibility, confident leadership, resolute integrity, and noble respect for humanity.

My charge to you is to take these eight essential core values—persistence, commitment, patience, compassion, responsibility, confidence, integrity, and respect, the values that you have spent the last four years mastering, and let them guide you during your successes and your failures to come. Demonstrate to the world the raw intellectual and ethical power a Friendship Collegiate Academy scholar holds: Remember what we have taught you about patience, persistence, commitment and responsibility when you are struggling with a course or a concept as you adjust to the rigors of university; exercise compassion, patience, and respect when you are faced with challenging people and unfamiliar circumstances; show confidence and integrity when confronting difficult moral quandaries and ethical dilemmas.

This is the path that you have been groomed to follow; this is the path you must choose to create your most authentic life. It is the gift you must give to yourself and then to the world. As Barak Obama has taught us, “Change will not come if we wait for some other person or some other time. We are the ones we have been waiting for. We are the change that we seek.” Therefore, in this rich and troubling world, in this time of equality and disparity, hope and fear, I ask you who will you be. How will you serve? How will you use the education that transformed your life to transform the world?

With Love,
