INTRODUCTION

What a difference a year makes! Friendship began the 2023-24 school year with tremendous momentum and finished it stronger than ever. Friendship is laser-focused on continuing the gains our students have made since returning from the pandemic by accelerating student growth, creating joyful learning environments and supporting our community of educators. In SY 2023-24, the hard work and dedication of our school community were realized. Nearly all campuses improved their performance on DC CAPE in English Language Arts (ELA) and math over the prior year. Notably, Friendship's DC CAPE performance in ELA has surpassed pre-pandemic levels, inspiring us to ASPIRE higher.

The following performance highlights demonstrate our progress:

- Friendship's proficiency (4+) growth in ELA was nine times the state growth and nearly double the state growth in math.
- Friendship's ELA proficiency (4+) now exceeds pre-pandemic levels.
- Math proficiency (4+) has shown significant growth over the prior year.
- Our ELA performance surpasses the charter sector average for at-risk and African-American student subgroups across all grade levels. The same holds true in math for elementary and high school grades.

With the expertise and dedication of our amazing educators, more of our students—from elementary to high school—are being prepared for a limitless future, ready to excel in college, careers, and wherever their passions take them.

- Empower K12 recognized Friendship Blow Pierce Middle, Ideal Middle and Woodridge International Elementary campuses as Bold Performance Schools for exceeding expected performance on DC CAPE for priority student groups.
- High school students competed and were recognized for excellence in advanced coursework and international competitions like the North American Invitational Model United Nations (NAIMUN) and selected by National Geographic to study abroad in Japan.
- Friendship continues to see Friendship Collegiate and Tech Prep graduates move on to college at rates that exceed national trends for districts with similar demographics.
- In the wards we serve, Friendship's schools lead the way with some of the highest proficiency rates.

Friendship looks forward to digging deeper and aiming higher as we take everything we have learned over the past 25 years and embark on our "JOURNEY TO 30." For this next chapter, our vision for success is laser-focused on student experience — an experience that is a springboard for academic discovery and mastery; led by student ideas and creativity; and guided by talented, mission-focused educators who believe in the potential of every child.

Additional details, including a program overview, summary of results, and other important data points are provided in the remainder of this report.

I. SCHOOL DESCRIPTION

A. Mission Statement

The mission of Friendship Public Charter School is to provide a world-class education that motivates students to achieve high academic standards, enjoy learning, and develop as ethical, literate, well-rounded and self-sufficient citizens who contribute actively to their communities.

B. School Program

1) Summary of curriculum design and instructional approach

Our curriculum design is rooted in the belief that all students are capable of achieving high levels of learning through deep, engaging, and intentional experiences that spark curiosity and critical thinking. Teachers work collaboratively to identify key concepts, essential questions, and deeper learning objectives within each standard. This approach ensures that instruction supports not only student mastery of content but also their development as independent thinkers and problem-solvers. We emphasize inquiry-based learning and active exploration, creating environments where students engage with challenging material in meaningful, relevant ways.

Assessments are not merely tools for grading; they are essential in gauging student mastery, informing instructional decisions, and allowing teachers to tailor instruction to each student's individual needs. Our continuous cycle of inquiry empowers teachers to adjust their teaching strategies promptly, addressing learning gaps and promoting student growth. Recognizing the impact of educators' knowledge, beliefs, and practices on student success, we prioritize ongoing professional development and support, fostering a collaborative environment where teachers grow alongside their students.

Our instructional model also supports accelerated learning for advanced students through challenging project-based assignments, while providing targeted interventions and assistive technologies for those requiring additional support. For instance, developmentally appropriate interventions in reading and math reinforce foundational skills and accelerate learning for students performing below grade level. The fundamental principle guiding the Friendship program is an intensive focus on developing students' knowledge and skills while developing their tenacity, flexibility, and confidence as current and future scholars who rise to their highest potential and have an impact in their communities.

Curriculum Overview

Friendship implements and refines curricula aligned with the Common Core State Standards for Math and English Language Arts (ELA), and literacy standards in Science and History. Writing standards are aligned horizontally to allow teachers to coordinate their instruction across the curriculum. Moreover, our English Language Arts (ELA) curriculum integrates principles from the science of reading, which emphasizes foundational skills such as phonemic awareness, phonics, vocabulary, fluency, and comprehension. This evidence-based approach underpins our literacy instruction from early childhood through high school, ensuring that students build a strong foundation in reading skills that promotes proficiency and engagement. As students progress, our ELA curriculum also incorporates strategies for reading complex texts, critical analysis, and engaging in discussions that deepen their comprehension and interpretation. These standards emphasize problem-solving, critical analysis, and evaluation of evidence, with a strong focus on students' conceptual understanding, application, and evaluation skills.

To ensure effective implementation, Friendship leadership follows structured development plans, including quarterly collaborative planning sessions where teachers in cross-campus teams refine instructional plans and deepen content understanding. This process is supported by ongoing observations and feedback from the Community Office and campus instructional staff.

Early Childhood Program: Pre-School and Pre-Kindergarten

Friendship offers a comprehensive, full-day early childhood education program for children ages three through five at the Armstrong, Blow Pierce, Chamberlain, Ideal, and Woodridge International Elementary campuses and fosters cognitive, social, and emotional development through The Creative Curriculum and Reggio Emilia-inspired practices; Southeast Elementary uses Every Child Ready. These approaches emphasize play-based learning, inquiry, and hands-on activities across subjects, creating a nurturing environment for curiosity and the social, emotional, physical, and language development of all children. Classrooms offer "learning centers" with diverse activities designed to engage young learners and develop early literacy, mathematics, and social skills.

The Reggio Emilia-inspired approach recognizes young children's immense potential. The metaphor that the child has 100 languages is used to represent the varied ways that children can share their ideas when they have ample experiences exploring and using a variety of media and materials on a regular basis. The atelier, "laboratory" or "studio", is a space of experimentation and deep thinking where art media and materials come alive. In this way, adults gain further insight into children's perceptions and understandings of their world by encouraging them to listen deeply to children, fostering their curiosity, and developing their thinking skills as researchers. This philosophy creates a dynamic learning experience, inviting children to explore, discover, collaborate, and construct meaning. Relationships between children, educators, family, materials, and the environment are fundamental to this approach, enhancing self-confidence, creative thinking, collaboration, and communication. Equipped with these skills, children are better prepared for elementary school and for lifelong success.

Literacy Development

Students at Friendship engage in a comprehensive and rigorous approach to literacy development from Pre-K through 12th grade. The science of reading is a strategy underpins literacy instruction across all content areas and grade levels.

Elementary and Middle School Curriculum

In elementary and middle school, the curriculum comprises four modules per grade, each centered around selected literary works, informational texts, and visual art. Each module includes 30 lessons delivered over 6–8 weeks, integrating reading, writing, speaking, listening, and language instruction to foster well-rounded literacy skills.

High School Curriculum

The high school English Language Arts curriculum is built around assessments aligned with AP and college readiness standards. Courses are organized into four to five themed units, each lasting 4–6 weeks, guiding students through multiple texts and close readings. Instruction follows a structured cycle of Plan, Teach, Assess, and Adapt, supporting students' mastery of content.

Mathematics

Friendship's three-tiered math instruction emphasizes discrete skill-building, conceptual understanding, and real-world application. Students demonstrate their mathematical comprehension through performance tasks that apply their learning in realistic scenarios.

Conceptual Foundation Development and Discrete Skill-Building

In Friendship math classrooms, students learn core mathematical concepts through a blend of online learning (such as Khan Academy), collaborative activities, and direct instruction. Lessons are standards-driven and adapted from Eureka Math² curricula.

Application

Students deepen their conceptual knowledge through project-based learning in 'Maker' spaces and Innovation Labs, where they tackle STEM-related problems and assessments that extend their understanding of mathematical concepts.

Science

Aligned with NGSS Standards and the national K-12 Science Framework, the K-12 Science Curriculum aims to:

- Foster appreciation for the beauty and wonder of science;
- Equip students to engage in current scientific and engineering issues;
- Develop scientifically literate citizens who value ongoing learning;
- Prepare students for STEM careers with essential knowledge and skills.

Central to our science curriculum is Scientific Literacy, the ability to reason scientifically and apply scientific principles meaningfully in personal and societal contexts. Inquiry-based learning begins in Pre-K and continues through grade 12, with traditional labs, Maker spaces, and Innovation Labs enhancing exploration.

5 E's of Science Instruction

1. **Engage** – Activities connect prior knowledge and experiences.
2. **Explore** – Hands-on, collaborative tasks encourage inquiry and reflection.
3. **Explain** – Students articulate understanding, connecting informal and formal concepts.
4. **Elaborate** – Knowledge is applied and expanded through further exploration.
5. **Evaluate** – Self-assessment and teacher evaluation track student progress.

Students are required to participate in campus-based STEM Fairs, progressing through district and citywide competitions, where they develop critical communication and innovative thinking skills essential for success in STEM fields. Partnerships with institutions such as the Carnegie Institution of Washington, Smithsonian Institution, Air Force Office of Scientific Research and Howard University provide vital support and enhance learning opportunities.

History and Social Studies

Friendship's history and social studies curriculum personalizes learning and prepares students for college, careers, and civic engagement. Using the 5Es model, students build foundational skills in the

early grades and expand their knowledge to global contexts in later years. In order to explore relationships between themselves and their community, nation, and the world at large.

Physical Education

Our physical education program aims to develop responsible, health-literate citizens. From Pre-K through 12th grade, students engage in goal-setting, higher-order thinking in physical activities, and personal fitness planning. The curriculum covers six standards: exercise physiology, biomechanical principles, social psychological principles, motor learning principles, physical activity, and skillfulness.

Elective Classes

Starting in elementary school, students can explore elective classes in fine and performing arts, physical education, and world languages. High school electives reflect student interests and career goals, with additional independent projects available in 'Maker' spaces and Innovation Labs.

Specialized Programming

Virtual and Blended Learning

Virtual and blended learning programs are provided at Friendship Online for grades K-8 and Friendship Collegiate Academy for grades 9-12. Since 2015, Friendship Public Charter School Online has offered K-8 students a virtual learning experience unique in Washington, DC. Partnering with Stride Learning, the school provides a Cognia-accredited, Core Knowledge-based curriculum blending online and offline activities. Friendship's high school virtual program, Collegiate Online Academy, partners with Edmentum/EdOptions Academy to deliver a Common Core-aligned, NCAA-approved curriculum that allows students to take courses both virtually and in-person, including options for over 400 advanced and elective courses.

International Baccalaureate

Woodridge's IB Primary Years Programme (PYP) serves Pre-K to fourth-grade students, fostering inquiry-based learning around six transdisciplinary themes, providing foreign language instruction, and supporting the holistic development of students as thinkers and problem-solvers.

Arts Program

Friendship has a premier arts program at Armstrong Elementary and Middle. Other Friendship campuses, incorporate arts education across all grade levels, aligned with OSSE DC state standards. Students explore visual and performing arts in both core and elective settings, gaining critical thinking skills and creative expression. High school students access Pre-AP and AP arts courses, while community partnerships, internships, and artist residencies offer additional experiential learning. Students' talents are showcased throughout the year in exhibits, portfolios, and performances.

Capital Experience Lab (CapX)

At the Blow Pierce Middle campus, students engage with Washington, DC's museums, research and cultural centers as part of CapX, a community-based learning model. This approach integrates social-emotional and project-based learning aligned with college and career readiness

standards to ensure each student can achieve their interpersonal and academic goals. CapX begins SY 2024-25 at Armstrong Middle.

Pre-AP and AP Programs

Friendship Collegiate Academy and Friendship Tech Prep provide structured Pre-AP and AP programs that prepare students for advanced coursework. These courses reinforce critical thinking and foundational skills, paving the way for success in Advanced Placement and beyond.

High School Career Academies

Friendship offers College and Career Academies using the National Academy Foundation (NAF) Academy Design to prepare students for high-demand careers. Career Academies in Health Science, Information Technology, and Engineering at Friendship Collegiate and Engineering and Urban Ecology at Tech Prep offer work-based learning opportunities such as:

- Paid summer internships
- 1-on-1 academic support and interventions
- Career exploration site visits to key businesses and industry
- Guest speakers from industry
- Job shadowing
- Mentoring opportunities

Students completing Career and Technical Education pathways earn NAFTrack certification, verifying their readiness for postsecondary pathways.

College Credits Through Dual Enrollment

Friendship offers students the opportunity to earn college credits through dual enrollment partnerships with universities such as Howard University, Arizona State University, and University of the District of Columbia, enabling them to graduate with up to two years of college credits. Students also participate in the Office of the State Superintendent's (OSSE) Advanced Technical Center (ATC) where students in grades 9 – 11 earn dual credit for courses in cybersecurity, health information technology, and general nursing.

Parent Involvement Efforts

Understanding the importance of parental support, Friendship has developed extensive programs to engage families. Parents participate in activities like the Parent Advisory Committee and events such as Back to School Night, Data Nights, and Family Literacy Nights. These initiatives foster partnerships between parents and schools, encouraging active contributions to students' educational journeys.

Parent Advisory Councils (PACs)

PACs unite families and teachers to enhance the education experience, raise funds, and advocate for high-quality education.

Quarterly Learning Contract (QLC) Conferences

QLCs provide families with one-on-one time with teachers to discuss student progress, set goals, and develop action plans.

Additional campus-based activities include Parent University, Read to Succeed, and community events like the Harvest Festival and Winter Showcase.

II. SCHOOL PERFORMANCE AND PROGRESS

A. Mission, Goals, and Academic Achievements

- 1) **Meeting the Mission.** Friendship operates around a simple principle: that all students go to and through college. We seek to achieve this through our mission: *To provide a world-class education that motivates students to achieve high academic standards, enjoy learning and develop as ethical, literate, well-rounded and self-sufficient citizens who contribute actively to their communities.*

Strategic Programming

In keeping with our mission and Friendship's Graduate Profile, Friendship continued its focus on raising our internal standards and providing high-quality learning options for students in pre-K to 12th grade. We implement the following strategies and programs to ensure all stakeholders meet expectations espoused in our mission and set consistent, high academic standards.

- Rigorous curricula with a focus on concept development delivered in a way that is developmentally appropriate and engaging for all students;
- Professional development for Community Office and School-Based staff that ensures leaders and teachers are supported in their implementation of curricula, the science of reading, and other programming, and effective operation of our LEA and campuses;
- Intervention programs that accurately diagnose and address academic and social- emotional gaps in learning so that students' needs are met and they excel academically;
- Opportunities for students to apply learning through real world experiences (e.g. project-based learning, participating in non-violent protests, developing projects for participation in STEM and science fairs, demonstrations of learning);
- Exposure to post-secondary options through dual enrollment courses, college tours, STEAM Café meetings with professionals in the field, and internships; and
- Implementation of our full-time virtual K-8 Online Academy and 9-12 learning program at Friendship Collegiate.

- 2) **Charter Goals and Academic Achievement Expectations.** Friendship adopted the Performance Management Framework as its goals and academic achievement expectations. Due to accountability system revisions, DC PCSB did not produce PMF results for SY 2023-24.

2023-24 Performance Highlights. Overall, Friendship demonstrated growth in many areas across grades PK3 - 12. Most notably, Friendship's performance on the District of Columbia Comprehensive Assessments of Progress in Education (DC CAPE) exceeded pre-pandemic levels in ELA, CLASS performance continues to exceed state and national CLASS standards, and Friendship has expanded access for students to and be successful in dual enrollment courses and on Advanced Placement exams. Moreover, 100% of graduates from the Class of 2024 were accepted to college and garnered over \$10

million in scholarships. Including SY 2023-24 scholarships, the total amount of scholarships awarded to Friendship graduates exceeds \$140 million to date.

CLASS ASSESSMENT

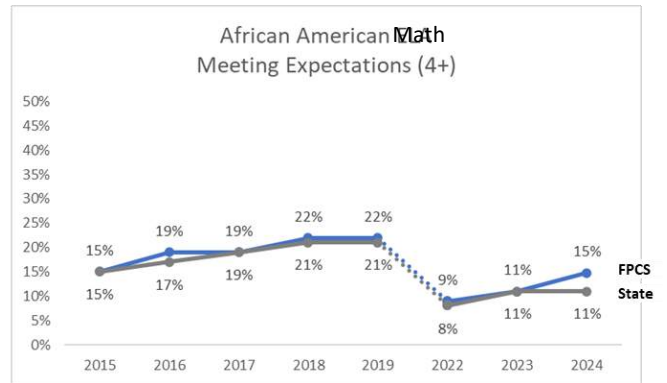

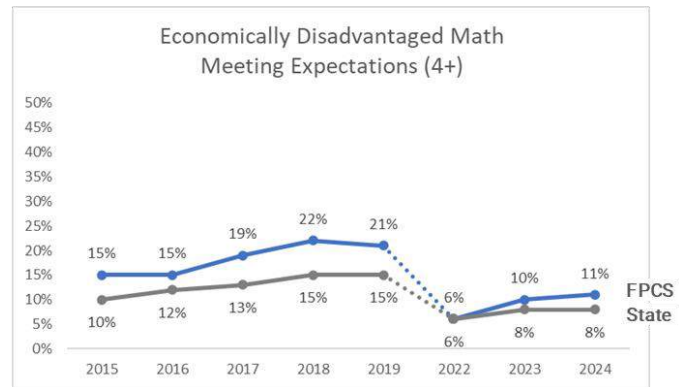

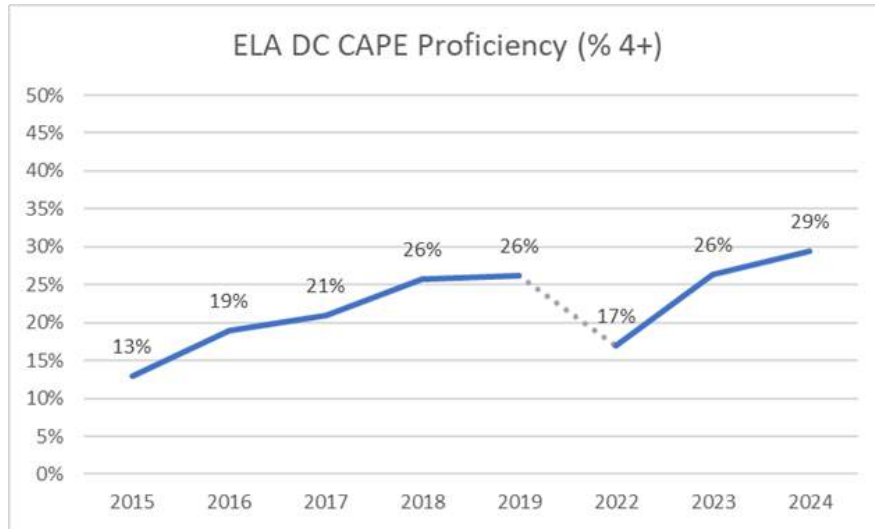

Friendship PCS continues to focus on providing intensive support to prekindergarten teachers through classroom observations and coaching using the CLASS tool as well as specialized professional development through Early Release Friday sessions. SY 2023-24 CLASS data show that in all domains, Friendship PCS Elementary campuses build on prior year performance and exceed city and charter averages and exceed the national thresholds in the Emotional Support, Classroom Organization and Instructional Support domains.

CLASS Domain	FPCS Avg.	State Avg.
	SY 2023-24	SY 2022-23
Emotional Support	6.4	6.3
Classroom Organization	6.3	6.2
Instructional Support	3.9	3.4

District of Columbia Comprehensive Assessments of Progress in Education (DC CAPE)

Friendship is laser-focused on recovering and accelerating student growth because of learning loss from the pandemic and in SY2023-24, the efforts of our school community were realized. Nearly all campuses improved performance on DC CAPE in ELA and math over the prior year and many exceeded charter sector averages in ELA (*rates highlighted in green*). Most importantly, DC CAPE performance exceeded levels achieved prior to the pandemic in ELA and this motivates us to ASPIRE higher. Below, are performance highlights along with performance outcomes for all campuses in ELA and math:

- Friendship's proficiency (4+) growth was significant at nine times the state growth in ELA and nearly twice the state growth in math.
- For ELA, Friendship's proficiency (4+) returned to pre-pandemic levels.
- For Math, Friendship's proficiency (4+) has grown over the prior year.
- Friendship's 4+ ELA performance exceeds the charter sector average for at-risk (economically disadvantaged) and African-American student subgroups at every grade level. The same is true in math for Elementary and High School grades.

ELA – Meeting or Exceeding College Readiness (4+)		
Campus	2023	2024
Armstrong ES	18.1%	22.2%
Blow Pierce ES	21.8%	22.0%
Chamberlain ES	7.8%	24.5%
Ideal ES	20.0%	10.5%
Southeast ES	19.0%	9.8%
Woodridge ES	24.4%	30.4%
Armstrong MS	22.1%	30.6%
Blow Pierce MS	32.3%	38.3%
Chamberlain MS	31.4%	35.6%
Ideal MS	35.6%	43.5%
Southeast MS	31.3%	34.5%
Woodridge MS	37.3%	40.4%
Online	17.4%	13.5%
Collegiate	23.3%	23.9%
Tech Prep	20.9%	24.8%

Green – Exceeds the charter sector

Math – Meeting or Exceeding College Readiness (4+)		
Campus	2023	2024
Armstrong ES	11.3%	13.6%
Blow Pierce ES	36.3%	19.6%
Chamberlain ES	23.4%	20.4%
Ideal ES	23.3%	15.8%
Southeast ES	12.7%	13.3%
Woodridge ES	18.3%	41.3%
Armstrong MS	13.0%	16.7%
Blow Pierce MS	12.9%	20.4%
Chamberlain MS	12.0%	14.7%
Ideal MS	13.2%	18.6%
Southeast MS	7.9%	11.9%
Woodridge MS	16.8%	15.5%
Online	5.2%	4.4%
Collegiate	7.9%	7.2%
Tech Prep	6.6%	9.0%

High School Academic Indicators of College Readiness

Friendship high schools focus on ensuring students get to and persist through college. Staff worked diligently to prepare students for PSAT, SAT and AP exams, and to excel in dual enrollment courses with promising results. On the PSAT, Collegiate and Tech Prep 11th grade students gained ground exceeding prior year performance. The percent of Tech Prep students scoring at the College Ready performance level on the SAT Evidenced-Based Reading and Writing section and Math increased by over 5 percentage points. Collegiate and Tech Prep students continued to thrive in AP and dual enrollment courses participating in classes offered by Arizona State University, Howard University, Spelman College, Cornell University, Trinity Washington University, Virginia State University, and University of the District of Columbia, among others.

	Collegiate			Tech Prep		
	2021-22	2022-23	2023-24	2021-22	2022-23	2023-24
PSAT Performance (11th grade) Score Target: 850	31%	26%	29%	17%	26%	27%
SAT Performance (12th Grade) Score Target: 890	35%	41%	33%	50%	29%	28%
SAT College Ready Performance Evidenced-Based Reading and Writing Score Target: 480	18%	33%	25%	26%	12%	20%
SAT College Ready Performance Math Score Target: 530	10%	8%	7%	15%	0%	6%
Advanced Placement/Dual Enrollment Score Targets: AP (3), DE (C-)	100%	100%	100%	13%	59%	59%

Both high school campuses continue to achieve 4- and/or 5-Year Adjusted Cohort Graduation Rates that exceed the State, DCPS, and/or Charter Sector averages. What is significant is that Friendship high schools ensure students persist in high school to earn their diploma as evidenced by the increase in 5-Year ACGR rates. Moreover, Tech Prep graduates its students in five years at a rate near 100% year over year.

	2021-22		2022-23		2023-24	
	4-Year	5-Year	4-Year	5-Year	4-Year	5-Year
FPCS	83.2%	90.3%	82.1%	88.1%	74.8%	87.6%
Collegiate	81.6%	88.6%	81.6%	86.1%	67.1%	86.1%
Tech Prep	94.3%	98.6%	84.2%	96.2%	91.6%	96.3%

B. Unique Accomplishments

Below are unique accomplishments achieved, awards earned and other recognition.

Friendship Public Charter School

- Friendship's CEO Patricia Brantley led the convening of the District of Columbia's first Math Summit to discuss and find solutions to the challenge of increasing math achievement. Ms. Brantley delivered a call to action to compel everyone (city leaders, school leaders, teachers, colleges and universities) to work together to accelerate math outcomes for the District's students.
- Friendship PCS launched The Tenacious Teacher hosted by Candice Toliver Burns to have tenacious conversations with teachers in the Friendship network to elevate their voices and share their perspectives on the most critical issues facing public education.
- Awarded 15 - \$2,500 scholarships to Class of 2024 students at Friendship Collegiate and Friendship Tech Prep.
- Friendship PCS hosted its 15th Annual Teacher of the Year Gala in which excellence in teaching and learning is recognized by awarding each campus' nominated finalist a cash prize with the grand prize going to the Friendship PCS teacher of the year. The SY 2023-24 winner was Friendship Ideal's Brandon McCoy.
- Established the Friendship Center for Excellence in Literacy that will certify schools of excellence in reading instruction through a quality school review process.
- Friendship continues to demonstrate strong performance on the annual Fiscal Audit Review.

Armstrong Campuses

- Ms. Shonte Tulloss, Friendship Armstrong Elementary Early Childhood teacher was a finalist for the Friendship Teacher of the Year Award.
- Increased academic performance on the DC CAPE across both campuses.
- Established partnership to bring the Capital Experience Lab to Armstrong's 6th grade cohort for 2024-25.
- All 8th graders completed the inaugural Armstrong Middle 8th Grade Capstone Project.
- The Black Male Teacher Residency program continues to be a valued partner.

Blow Pierce Campuses

- The Middle campus is recognized by EmpowerK12 as a Bold Performance School for making impressive strides in closing performance gaps in math and reading for students identified as priority students (students designated as economically disadvantaged and students with disabilities).

- The 8th grade achieved the highest DC CAPE ELA Proficiency rate in the District.
- Ms. Dominique Johnson, Friendship Blow Pierce Middle 7th Grade Teacher was a finalist for the Friendship Teacher of the Year Award.
- Successful implementation and rollout of the Center for Excellence in Learning.
- Successful second year of CapX with significant growth in both DC CAPE ELA and Math from the 2022-23 SY to the 2023-24 SY. CapX is an immersive community-based learning model that utilizes Washington, DC's world-class museums, research and cultural centers as the classroom.
- Highest MS ISA attendance percentage among all the middle schools in Friendship PCS.

Chamberlain Campuses

- Ms. Jessica Puyo, Friendship Chamberlain Middle 4th Grade Teacher was a finalist for the Friendship Teacher of the Year Award.
- Chamberlain Middle won the Friendship PCS Black History Quiz Bowl proudly demonstrating their knowledge and commitment to cultural awareness.
- 2024 Friendship PCS Elementary Flag Football Champions: Celebrated our students' victory in the 2024 Flag Football Championship, showcasing teamwork and athletic excellence.
- Successfully established our Garden Club in partnership with FoodCorp, promoting environmental stewardship and hands-on learning experiences.

Collegiate Academy

- Ms. Jennifer Thompson was a finalist for the Friendship Teacher of the Year Award.
- Class of 2024 awarded over \$7.1 million in college scholarships.
- 100% of students received college acceptances.
- Jamisha Wilson was awarded the merit-based Posse Scholars Scholarship to Lafayette College, worth over \$330,000.
- Students received recognition from the College Board for outstanding academic performance:
 - Jamisha Wilson was one of 14 graduates in the District of Columbia to be awarded the AP Capstone Diploma by the College Board and earned the College Board AP Scholar with Honor award for passing four or more AP exams with scores of 3 or higher and achieving an average score of at least 3.25. Only 10% of students nationwide receive this distinction.
 - Jeremiah Barnes and Dahnasia Proctor received the AP Scholar Award from the College Board for passing three or more AP exams with scores of 3 or higher.
 - Six students earned the AP Seminar and Research Certificate from the College Board. This award was awarded to only 11 students in Washington, DC.
 - Maurice Calloway received the African American and First-Generation National Recognition Award, while Travion Williams received the First-Generation National Recognition Award from the College Board.
- Ms. Carmielle Darden received the National Education Equity Lab Rising Star Award for her students' performance in dual enrollment courses through Howard University and Cornell University.
- The University of Maryland Conway Nursing scholarship was awarded to Class of 2024 graduates Dontrell Smith and Treasure Jenkins.
- Friendship Collegiate Academy Knights won their 2nd consecutive DCSAA Basketball State Title.

- Friendship Collegiate Academy Lady Knights won their 16th consecutive PCSAA League Basketball Championship.
- Two students earned the OSSE Scholars Award and attended summer college programs at Syracuse University and Northwestern University.
- DC Math Hub - a coalition of DC education agencies and researchers engaged in a collaborative effort to improve math outcomes for students, and outgrowth of the DC Math Summit – recognized Collegiate as one of 10 high schools who were Bright Spots for our Math performance on state exams.

Online Academy

- Ms. DeYeasa Traore was a finalist for the Friendship Teacher of the Year Award.
- A middle school student competed in the Chesapeake Girls Gymnastics event in Baltimore and received an invitation to the Texas National Training Camp, showcasing exceptional talent in athletics.
- A middle school student participated in Stride's National Photography Competition, highlighting creativity and artistic achievement.
- First time Minecraft participation focus through Stride.

Ideal Campuses

- Mr. Brandon McCoy, Friendship Ideal Middle teacher won Friendship PCS Teacher of the Year Award.
- Middle campus recognized by EmpowerK12 as a Bold Performance School for making impressive strides in closing performance gaps in math and reading for students identified as priority students (students designated as economically disadvantaged and students with disabilities).
- 2024 Washington Post Teacher of the Year and Principal of the Year finalists.

Southeast Campuses

- Ms. Yashika Whitmyer, Friendship Southeast Elementary teacher was a finalist for the Friendship Teacher of the Year Award.
- Ms. Nekole Smith named One World Education's 2023-2024 Educator of the Year, celebrating her impactful contributions.
- Southeast students excelled at the 2024 Middle School Challenge, showcasing thought-provoking presentations on critical issues and winning top honors.

Stage Presentations:

- 1st Place: Raegen Coby (6th grade) – Mass Incarceration of Black Males
- 2nd Place: Lesja Williams (5th grade) – Homelessness and Mental Health
- 3rd Place: Santino Hebert (6th grade) – Police Brutality

Board Presentations:

- 1st Place: Serenity Lewis (6th grade) – Child Abuse
- 2nd Place: Janae Poindexter (7th grade) – Price Gouging
- 3rd Place: Rasheed Coleman (6th grade) – Youth Suicide in America

- The City Teaching Alliance recognized Mr. Caleb Franklin, 5th and 6th-grade social studies teacher for his unique “controlled chaos” approach, which empowers students and creates a dynamic learning environment.
- Students embarked on a week-long cultural immersion in Spain, visiting historic sites like the Royal Palace and Sagrada Família, and engaging in traditional activities to broaden their global perspectives and deepened their appreciation for cultural exchange.

Technology Preparatory Academy Campus

- Mr. William Kelley was a finalist for the Friendship Teacher of the Year Award.
- NAF (formerly known as National Academy Foundation) recognized Tech Prep’s Academy of Engineering as Distinguished and selected the Academy of Urban Ecology as a Model Academy.
- Class of 2024 awarded over \$3 million in merit-based scholarships.
- Mikayla Decker – Friendship Tech Prep Valedictorian – earned a full scholarship to Emory University.
- Friendship Tech Prep Basketball Team won the PCSAA Varsity Basketball Championship and the Varsity Football Team won the PCSAA Flag Football Championship.
- 100% of Tech Prep’s students were accepted to college.
- OSSE presented Tech Prep with the 2023 Biggest Boost Award for FAFSA completion.
- Azarea Cunningham received College Board’s 2024 National Recognition Program Award for scoring in the Top 10% on PSAT in Washington, DC and at least 3.3 cumulative GPA for the African American and First Generation categories.
- Philisha Adkins-Lewis and Coy McKinney awarded Eco-Audit Grant for EcoRise.
- Maegan Godoy and Seth Martin served as The North American Invitational Model United Nations (NAIMUN) LXI Delegates for Tech Prep and were 1st Place Winners on their resolution paper.
- Demaje Lynch and Mikal Mahdi awarded a National Geographic Scholarship to study in Japan.
- Students toured the British Embassy and engaged in a robust discussion with the British Ambassador Karen Price.
- Deka Research donated 3D printers and robotics kits to our school.

Woodridge International Campuses

- Ms. Jamila Henry, Friendship Woodridge International Elementary was a finalist for the Friendship Teacher of the Year Award.
- Elementary campus recognized by EmpowerK12 as a Bold Performance School for making impressive strides in closing performance gaps in math and reading for students identified as priority students (students designated as economically disadvantaged and students with disabilities).
- Aligned with the principles of our International Baccalaureate Programme, a group of staff, students and parents embarked on a transformative 10-day cultural tour of Japan, visiting Osaka, Kyoto, and Tokyo. This immersive experience provided exposure to Japan’s rich history, vibrant urban life, and traditional customs. From historic temples in Kyoto to modern landmarks in Tokyo, the trip offered meaningful opportunities for cross-cultural learning and developing students as global citizens.

III. Data Reports

School Year (SY) 2023–24 Annual Report: Campus Data Report

General Information

Source	Data Point
DC PCSB	LEA Name: Friendship PCS
DC PCSB	Campus Name: Friendship PCS - Armstrong Elementary
DC PCSB	Grades Served: Grades: PK3 - 3
DC PCSB	Overall Audited Enrollment: 245

Enrollment by grade level according to longest enrollment grade

Grade	PK3	PK4	KG	1	2	3	4	5	6
Student Count	36	35	38	45	46	45	0	0	0
Grade	7	8	9	10	11	12	Alternative	Adult	SPED*
Student Count	0	0	0	0	0	0	0	0	0

*Note: This field is only filled in for St. Coletta Special Education PCS as it is the only charter LEA that exclusively serves students with disabilities.

Student Data Points

Source	Data Point
Campus	Total Number of Instructional Days: 181 Number of instructional days, not including holidays or professional development days, for the majority of the school. If your school has certain grades with different calendars, please note it.
DC PCSB	Suspension Rate: 4.49%
DC PCSB	Expulsion Rate: 0.00%
DC PCSB	Instructional Time Lost to Out-of-School Suspensions: 0.06%
DC PCSB	In-Seat Attendance: 85.78%*
DC PCSB	Average Daily Attendance: The SRA requires annual reports to include a school's average daily membership. To meet this requirement, PCSB will provide following verified data points: (1) audited enrollment; (2) mid-year withdrawals; and (3) mid-year entries. (No action necessary.)
DC PCSB	Mid-Year Withdrawals: 2.45%
DC PCSB	Mid-Year Entries: 0.00%
DC PCSB	Promotion Rate: 99.52%
DC PCSB (SY2 2-23)	College Acceptance Rate: Not Applicable

*Note: The provided in-seat attendance rates align to the in-seat attendance rates available in OSSE's SY23-24 Charter Sector Attendance Qlik application as of October 2024. However, the validated rates that schools will confirm with OSSE during Metric Calculation Confirmation this fall may vary slightly.

Teacher/Admin Data Points

Source	Data Point
Campus	Teacher Attrition Rate: 2.5%
Campus	Number of Teachers: 40 To align with OSSE's definition, "Teacher" is defined as a full-time school-based employee who instructs any core or non-core academic subject. This includes general or special education teachers instructing students in the "core" subject areas of English language arts, math, science and social studies, as well as non-core subjects such as arts, foreign language and physical education. This excludes student support professionals (e.g., speech therapists or social workers, counselors, librarians, coaches, principals, special education coordinators, program coordinators, deans, office staff, custodians, or any other non-instructional personnel).
Campus	Teacher Salary Schedules Provide schedule by steps and grades, if applicable. If inapplicable, LEAs may provide minimum, average, and maximum teacher salaries and include the link to the webpage this information can be found on your school's website. Follow this format if submitting minimum, average, and maximum teacher salaries: 1. Average: \$88,116.29 2. Range: Minimum: \$63,373.00 Maximum: \$125,233.94
Campus	Teacher Demographics In a chart, include the racial identity, gender, and years of teaching/education experience for all your teacher staff, using the definition above. – See Appendix
Campus	Compensation over \$100,000 Salaries (including bonuses) of the five most highly compensated individuals in the LEA, if over \$100,000, for SY 2023 – 24. This information should align with reporting in the school's Form 990. \$202,196.09, \$210,823.49, \$213,146.79, \$232,672.64, \$291,296.20
