# INTRODUCTION

## A Year of Excellence, Purpose, and Progress

At **Friendship Public Charter School**, excellence isn't just a goal—it's our daily aspiration. And throughout the 2024–25 school year, that aspiration came vividly to life.

We have long worked to make Friendship one of the best places to work and learn, and this year, that dedication was recognized when *The Washington Post* named us a **2025 Top Workplace**, placing Friendship among the top 25 large organizations in the nation's capital. This honor reflects a culture grounded in collaboration, performance, and purpose—where teachers, leaders, and students are united by the belief that every child can and will succeed.

That belief shines through in our results. Friendship scholars earned more than \$25 million in college scholarships and acceptances to many of the nation's top 100 colleges and universities. Our middle schools climbed to the top of citywide performance rankings; our ELA proficiency surpassed pre-pandemic levels; and our CLASS scores outperformed national benchmarks. In a full-circle moment, our 2025 Teacher of the Year is a proud Friendship alum—a living reflection of our mission and impact.

Our excellence was also recognized beyond our walls. Four of the 16 schools recognized citywide as 2025 Bold Performance Award winners were Friendship campuses—representing one-quarter of all public schools and nearly half of all public charters honored for helping students furthest from opportunity achieve extraordinary growth. Furthermore, by our calculations, if the DC Public Charter School Board had released ASPIRE results for the 2023–24 school year, nearly every Friendship campus would have earned a rating of “Exemplary” or “Strong.” These results affirm that Friendship's culture of belief and performance is not just enduring—it's accelerating.

Across the network, campuses achieved remarkable milestones: Woodridge earned a National Blue Ribbon distinction; Blow Pierce reached the #1 ranking in Ward 7; and Tech Prep captured a NASA TechRise win. Each success story underscores the strength of our instructional model, the expertise of our teachers, and the promise of our students.

### Our Journey Forward

We are still growing, still learning, and still reaching for the next summit—together. Fueled by bold ideas, passionate people, and an enduring belief in what public education can be, the view from here is brighter than ever.

From classrooms that inspire to campuses that lead, Friendship Public Charter School strives to stand as a beacon of excellence, equity, and opportunity—proving what's possible when belief meets action.

Additional highlights—including program overviews, performance results, and other key data—are shared in the pages that follow.

## SCHOOL DESCRIPTION

### Mission Statement

The mission of Friendship Public Charter School is to provide a world-class education that motivates students to achieve high academic standards, enjoy learning, and develop as ethical, literate, well- rounded and self-sufficient citizens who contribute actively to their communities.

### School Program

#### *Summary of curriculum design and instructional approach*

Our curriculum design is rooted in the belief that all students are capable of achieving high levels of learning through deep, engaging, and intentional experiences that spark curiosity and critical thinking. Teachers work collaboratively to identify key concepts, essential questions, and deeper learning objectives within each standard. This approach ensures that instruction supports not only student mastery of content but also their development as independent thinkers and problem-solvers. We emphasize inquiry-based learning and active exploration, creating environments where students engage with challenging material in meaningful, relevant ways.

Assessments are not merely tools for grading; they are essential in gauging student mastery, informing instructional decisions, and allowing teachers to tailor instruction to each student's individual needs. Our continuous cycle of inquiry empowers teachers to adjust their teaching strategies promptly, addressing learning gaps and promoting student growth. Recognizing the impact of educators' knowledge, beliefs, and practices on student success, we prioritize ongoing professional development and support, fostering a collaborative environment where teachers grow alongside their students.

Our instructional model also supports accelerated learning for advanced students through challenging project-based assignments, while providing targeted interventions and assistive technologies for those requiring additional support. For instance, developmentally appropriate interventions in reading and math reinforce foundational skills and accelerate learning for students performing below grade level. The fundamental principle guiding the Friendship program is an intensive focus on developing students' knowledge and skills while developing their tenacity, flexibility, and confidence as current and future scholars who rise to their highest potential and have an impact in their communities.

#### *Curriculum Overview*

Friendship implements and refines curricula aligned with the Common Core State Standards for Math and English Language Arts (ELA), and literacy standards in Science and History. Writing standards are aligned horizontally to allow teachers to coordinate their instruction across the curriculum. Moreover, our English Language Arts (ELA) curriculum integrates principles from

the science of reading, which emphasizes foundational skills such as phonemic awareness, phonics, vocabulary, fluency, and comprehension. This evidence-based approach underpins our literacy instruction from early childhood through high school, ensuring that students build a strong foundation in reading skills that promotes proficiency and engagement. As students progress, our ELA curriculum also incorporates strategies for reading complex texts, critical analysis, and engaging in discussions that deepen their comprehension and interpretation. These standards emphasize problem-solving, critical analysis, and evaluation of evidence, with a strong focus on students' conceptual understanding, application, and evaluation skills.

To ensure effective implementation, Friendship leadership follows structured development plans, including quarterly collaborative planning sessions where teachers in cross-campus teams refine instructional plans and deepen content understanding. This process is supported by ongoing observations and feedback from the Community Office and campus instructional staff.

#### *Early Childhood Program: Pre-School and Pre-Kindergarten*

Friendship offers a comprehensive, full-day early childhood education program for children ages three through five at its elementary campuses and fosters cognitive, social, and emotional development through The Creative Curriculum and Reggio Emilia-inspired practices. These approaches emphasize play-based learning, inquiry, and hands-on activities across subjects, creating a nurturing environment for curiosity and the social, emotional, physical, and language development of all children. Classrooms offer "learning centers" with diverse activities designed to engage young learners and develop early literacy, mathematics, and social skills.

The Reggio Emilia-inspired approach recognizes young children's immense potential. The metaphor that the child has 100 languages is used to represent the varied ways that children can share their ideas when they have ample experiences exploring and using a variety of media and materials on a regular basis. The atelier, "laboratory" or "studio", is a space of experimentation and deep thinking where art media and materials come alive. In this way, adults gain further insight into children's perceptions and understandings of their world by encouraging them to listen deeply to children, fostering their curiosity, and developing their thinking skills as researchers. This philosophy creates a dynamic learning experience, inviting children to explore, discover, collaborate, and construct meaning. Relationships between children, educators, family, materials, and the environment are fundamental to this approach, enhancing self-confidence, creative thinking, collaboration, and communication. Equipped with these skills, children are better prepared for elementary school and for lifelong success.

#### *Literacy Development*

Students at Friendship engage in a comprehensive and rigorous approach to literacy development from Pre-K through 12th grade. The science of reading is a strategy underpins literacy instruction across all content areas and grade levels.

### *Elementary and Middle School Curriculum*

In elementary and middle school, the curriculum comprises four modules per grade, each centered around selected literary works, informational texts, and visual art. Each module includes 30 lessons delivered over 6–8 weeks, integrating reading, writing, speaking, listening, and language instruction to foster well-rounded literacy skills.

### *High School Curriculum*

The high school English Language Arts curriculum is built around assessments aligned with AP and college readiness standards. Courses are organized into four to five themed units, each lasting 4–6 weeks, guiding students through multiple texts and close readings. Instruction follows a structured cycle of Plan, Teach, Assess, and Adapt, supporting students' mastery of content.

### *Mathematics*

Friendship's three-tiered math instruction emphasizes discrete skill-building, conceptual understanding, and real-world application. Students demonstrate their mathematical comprehension through performance tasks that apply their learning in realistic scenarios. In Friendship math classrooms, students learn core mathematical concepts through a blend of online learning (such as Khan Academy), collaborative activities, and direct instruction. Lessons are standards-driven and adapted from Eureka Math<sup>2</sup> curricula. Students deepen their conceptual knowledge through project-based learning in 'Maker' spaces and Innovation Labs, where they tackle STEM-related problems and assessments that extend their understanding of mathematical concepts.

### *Science*

Aligned with NGSS Standards and the national K-12 Science Framework, the K-12 Science Curriculum aims to:

- Foster appreciation for the beauty and wonder of science;
- Equip students to engage in current scientific and engineering issues;
- Develop scientifically literate citizens who value ongoing learning;
- Prepare students for STEM careers with essential knowledge and skills.

Central to our science curriculum is Scientific Literacy, the ability to reason scientifically and apply scientific principles meaningfully in personal and societal contexts. Inquiry-based learning begins in Pre- K and continues through grade 12, with traditional labs, Maker spaces, and Innovation Labs enhancing exploration.

### 5 E's of Science Instruction

- **Engage** – Activities connect prior knowledge and experiences.

- **Explore** – Hands-on, collaborative tasks encourage inquiry and reflection.
- **Explain** – Students articulate understanding, connecting informal and formal concepts.
- **Elaborate** – Knowledge is applied and expanded through further exploration.
- **Evaluate** – Self-assessment and teacher evaluation track student progress.

Within our science spaces, science instruction is enhanced through the integration of AI resources such as Magic School (for both teachers and students) and science-based explorative curriculums such as Labster, Savvas, FOSS, and PLTW (Project Lead the Way). Each instructional unit includes an aligned field experience to ensure scholars have an opportunity to apply what they have learned in the real world.

Students are required to participate in campus-based STEM Fairs, progressing through district and citywide competitions, where they develop critical communication and innovative thinking skills essential for success in STEM fields. Partnerships with institutions such as the Carnegie Institution of Washington, Smithsonian Institution, Air Force Office of Scientific Research and American University (STEAM Reimagined) provide vital support and enhance learning opportunities.

### *History and Social Studies*

Friendship’s history and social studies curriculum personalizes learning and prepares students for college, careers, and civic engagement. Grounded in inquiry and the 2023 DC Social Studies Standards, students develop historical thinking skills—such as analyzing sources, evaluating evidence, and making claims—to connect the past to present-day issues. From the early grades through high school, learners build foundational understanding of their community before expanding to national and global contexts.

### *Physical Education*

Our physical education program aims to develop responsible, health-literate citizens. From Pre-K through 12th grade, students engage in goal-setting, higher-order thinking in physical activities, and personal fitness planning. The curriculum covers six standards: exercise physiology, biomechanical principles, social psychological principles, motor learning principles, physical activity, and skillfulness.

### *Elective Classes*

Starting in elementary school, students can explore elective classes in fine and performing arts, physical education, and world languages. High school electives reflect student interests and career goals, with additional independent projects available in ‘Maker’ spaces and Innovation Labs.

## *Specialized Programming*

### **Virtual and Blended Learning**

Virtual and blended learning programs are provided at Friendship Online for grades K-8 and Friendship Collegiate Academy for grades 9-12. Since 2015, Friendship Public Charter School Online has offered K-8 students a virtual learning experience unique in Washington, DC. Partnering with Stride Learning, the school provides a Cognia-accredited, Core Knowledge-based curriculum blending online and offline activities. Friendship's high school virtual program, Collegiate Online Academy, partners with Edmentum/EdOptions Academy to deliver a Common Core-aligned, NCAA-approved curriculum that allows students to take courses both virtually and in-person, including options for over 400 advanced and elective courses.

### **International Baccalaureate**

Woodridge's IB Primary Years Programme (PYP) serves Pre-K to fourth-grade students, fostering inquiry-based learning around six transdisciplinary themes, providing foreign language instruction, and supporting the holistic development of students as thinkers and problem-solvers.

### **Arts Program**

Friendship has a premier arts program at Armstrong Elementary and Middle, and Collegiate campuses. Other Friendship campuses, incorporate arts education across all grade levels, aligned with OSSE DC state standards. Students explore visual and performing arts in both core and elective settings, gaining critical thinking skills and creative expression. High school students access Pre-AP and AP arts courses, while community partnerships, internships, and artist residencies offer additional experiential learning. Students' talents are showcased throughout the year in exhibits, portfolios, and performances.

### **Capital Experience Lab (CapX)**

At the Armstrong and Blow Pierce Middle campuses, students engage with Washington D.C.'s museums, career and content experts, and cultural centers as part of their CapX experience. CapX is a project-based learning model focused on building real world connections through community-based experiences. This approach integrates these experiences with aligned college and career readiness standards to ensure each student can achieve their interpersonal and academic goals.

### **Pre-AP and AP Programs**

Friendship Collegiate Academy and Friendship Tech Prep provide structured Pre-AP and AP programs that prepare students for advanced coursework. These courses reinforce critical thinking and foundational skills, paving the way for success in Advanced Placement and beyond. Friendship offers over 10 AP courses and produces scholars who receive College Board recognition for scoring 3 or better on multiple AP exams.

### **High School Career Academies**

Friendship offers College and Career Academies including Fine Arts, and STEM using the National Academy Foundation (NAF) Academy Design to prepare students for high-demand careers. Career Academies in Health Science, Information Technology, and Engineering at Friendship Collegiate and Engineering and Urban Ecology at Tech Prep offer work-based learning opportunities such as:

- Paid summer internships
- 1-on-1 academic support and interventions
- Career exploration site visits to key businesses and industry
- Guest speakers from industry
- Job shadowing
- Mentoring opportunities

Students completing Career and Technical Education pathways earn NAFTrack certification, verifying their readiness for postsecondary pathways.

### **College Credits Through Dual Enrollment**

Friendship has a robust dual enrollment program that offers students the opportunity to graduate high school with up to two years of college credits through partnerships with Arizona State University and the National Equity Lab. Students in grades 10-12 participate in the Office of the State Superintendent's (OSSE) Advanced Technical Center (ATC) to earn dual credit for courses from Trinity Washington University and UDC in cybersecurity, health information technology, and general nursing.

### **Parent Engagement Efforts**

Understanding the importance of parental support, Friendship has developed extensive programs to engage families. Parents participate in activities like the Parent Advisory Council (PAC) and Quarterly Learning Contract (QLC) Conferences, and events such as Back to School Night, Data Nights, and Family Literacy Nights. These initiatives foster partnerships between parents and schools, encouraging active contributions to students' educational journeys.

### **Parent Advisory Council (PAC)**

PACs unite families and teachers to enhance the education experience, raise funds, and advocate for high-quality education.

### **Quarterly Learning Contract (QLC) Conferences**

QLCs provide families with one-on-one time with teachers to discuss student progress, set goals, and develop action plans.

Additional campus-based activities include Parent University, Read to Succeed, and community events like the Harvest Festival and Winter Showcase.

## SCHOOL PERFORMANCE AND PROGRESS

### Mission, Goals, and Academic Achievements

**Meeting the Mission.** Friendship Public Charter School is guided by a powerful belief: every student can and will go to and through college. Our mission is to provide a world-class education that inspires students to achieve high academic standards, develop a lifelong love of learning, and grow into ethical, literate, well-rounded, and self-sufficient citizens who make meaningful contributions to their communities.

### Strategic Programming

In alignment with our mission and Friendship’s Graduate Profile, Friendship offers high-quality learning opportunities and experiences from pre-K through 12th grade. To ensure excellence across all campuses, Friendship implements the following strategies and programs:

- **Rigorous, Engaging Curriculum:** Instruction emphasizes concept development through age-appropriate, interactive, and challenging lessons that promote critical thinking and mastery.
- **Professional Development:** Ongoing training for Community Office and school-based staff ensures leaders and teachers are well-equipped to implement effective curricula, the science of reading, and innovative instructional practices while maintaining operational excellence.
- **Targeted Intervention:** Comprehensive programs identify and address academic and social-emotional learning gaps, ensuring every student receives the support needed to thrive.
- **Real-World Learning Opportunities:** Opportunities for students to apply their learning through real world experiences (e.g. project-based learning, engaging in advocacy with DC Councilmembers and national education organizations, developing projects for participation in STEM and science fairs, demonstrations of learning).
- **Postsecondary Exposure:** Friendship expands students’ horizons through dual enrollment courses, college tours, STEAM Café sessions with industry professionals, and internships that prepare them for success beyond high school.
- **Innovative Learning Models:** Friendship continues to operate a full-time virtual K–8 Online Academy and a 9–12 online learning program at Friendship Collegiate, providing flexible, high-quality education tailored to students’ needs.

**Charter Goals and Academic Achievement Expectations.** Friendship has adopted the DC PCSB’s Performance Management Framework as its goals and academic achievement expectations. DC PCSB no longer produces PMF results. However, DC PCSB will publicly report the school’s performance on its revised accountability system, ASPIRE, annually.

**2024-25 Performance Highlights.** Friendship continued to demonstrate excellence across grades PK3 - 12 in many areas. Most notably, Friendship’s performance on the District of Columbia Comprehensive Assessments of Progress in Education (DC CAPE) exceeded pre-pandemic levels in ELA and continued to make gains in mathematics, CLASS performance continues to exceed state and national CLASS standards, and Friendship has expanded access to dual enrollment and AP courses for students. Moreover, 99% of graduates from the Class of 2025 were accepted to some of the most prestigious historically black colleges and universities as well as Ivy League schools in the country and garnered over \$25 million in scholarships. Including SY 2024-25 scholarships, the total amount of scholarships awarded to Friendship graduates exceeds \$165 million to date.

*CLASS Assessment*

Friendship PCS early childhood programs and support of staff yields excellence on CLASS. SY 2024-25 CLASS data show that in all domains, Friendship PCS Elementary campuses build on prior year performance and exceed city and charter averages as well as national thresholds in the Emotional Support, Classroom Organization and Instructional Support domains.

<b>CLASS Domain</b>	<b>FPCS Avg. SY 2024-25</b>	<b>FPCS Avg. SY 2023-24</b>	<b>State Avg. SY 2023-24</b>
Emotional Support	6.6	6.4	6.3
Classroom Organization	6.6	6.3	6.1
Instructional Support	4.3	3.9	3.5

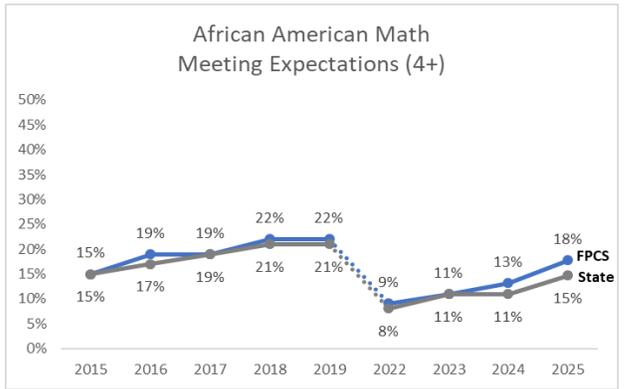

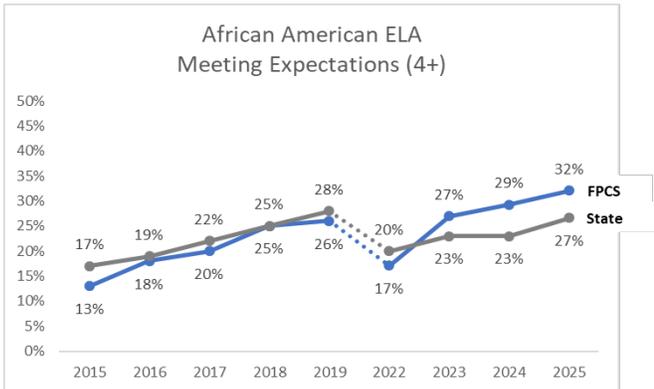

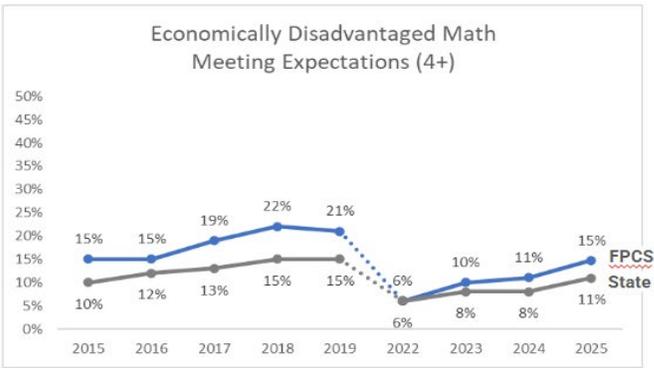

*District of Columbia Comprehensive Assessments of Progress in Education (DC CAPE)*

Friendship’s laser-focus on accelerating student growth resulted in an increase in achievement on DC CAPE in ELA and math over the prior year with campuses making significant gains. Most importantly, DC CAPE performance exceeded levels achieved prior to the pandemic in ELA and this motivates us to ASPIRE higher. Below, are performance highlights along with performance outcomes for all campuses in ELA and math:

Friendship’s 4+ ELA and math performance exceeds the charter sector and State averages for (economically disadvantaged and African-American student subgroups).

For ELA, Friendship’s proficiency (4+) exceeds pre-pandemic levels.

For ELA and Math, Friendship’s proficiency (4+) has grown over the prior year. *Highlighted in green are campuses with performance that exceeded the charter sector.*

ELA - Meeting or Exceeding College Readiness (4+)		
	2024	2025
<b>State</b>	<b>34.0%</b>	<b>37.6%</b>
<b>Charter</b>	<b>29.3%</b>	<b>32.2%</b>
Friendship PCS - Armstrong Elementary	22.2%	26.7%
Friendship PCS - Blow Pierce Elementary	22.0%	16.0%
Friendship PCS - Chamberlain Elementary	24.5%	55.1%
Friendship PCS - Ideal Elementary	10.5%	24.4%
Friendship PCS - Southeast Elementary	9.8%	12.1%

Friendship PCS - Collegiate Academy	7.2%	8.3%
Friendship PCS - Technology Preparatory High School	9.0%	10.6%

### *High School Academic Indicators of College Readiness*

At Friendship’s high schools—Collegiate Academy and Tech Prep Academy—the mission “to and through college” drives every effort. Students engage in rigorous coursework, participate in dual enrollment and Advanced Placement (AP) classes, and receive individualized support to ensure they are prepared for college success.

#### Highlights

- Both schools achieved gains on the PSAT and SAT, with the percentage of students scoring at or above college-ready benchmarks increasing five points across subject tests.
- Collegiate and Tech Prep students excelled in dual enrollment courses through partnerships with Arizona State University, Howard University, Spelman College, Cornell University, Trinity Washington University, Virginia State University, and University of the District of Columbia.
- Both campuses maintained 4-Year Adjusted Cohort Graduation Rates (ACGR) that exceed the DC, DCPS, and charter sector averages, with Tech Prep approaching near-perfect five-year graduation rates year over year.
- Nearly 100% of graduates from the Class of 2025 were accepted into college, earning over \$25 million in scholarships.
- Including this year’s awards, Friendship graduates have earned more than \$165 million in college scholarships to date, with acceptances to prestigious institutions including Georgetown, Hampton, Howard, Carnegie Mellon, Cornell, Morehouse, Spelman, North Carolina A&T, Xavier of Louisiana, Virginia Tech, and Syracuse University.

These accomplishments underscore the power of Friendship’s academic culture—one that combines high expectations, personal guidance, and real-world preparation to ensure every graduate leaves with a clear path to success.

ACGR	2022-23		2023-24		2024-25	
	4-Year	5-Year	4-Year	5-Year	4-Year	5-Year
FPCS	82%	88%	75%	88%	84%	TBD
Collegiate	82%	86%	67%	77%	81%	TBD
Tech Prep	84%	96%	92%	95%	95%	TBD

## Unique Accomplishments

Below are unique accomplishments achieved, awards earned and other recognition.

### *Friendship Public Charter School*

- The Washington Post named Friendship Public Charter School a 2025 Top Workplace - ranking us among the top 25 large organizations and companies in the nation's capital!
- Awarded fifteen \$2,500 scholarships to Class of 2025 students at Friendship Collegiate and Friendship Tech Prep.
- Friendship PCS hosted its 16th Annual Teacher of the Year Gala in which excellence in teaching and learning is recognized by awarding each campus' nominated finalist a cash prize with the grand prize going to the Friendship PCS teacher of the year. The SY 2024-24 winner was Friendship Woodridge International's Mr. James Davis, a Friendship PCS - Collegiate Academy Alumnus.
- Friendship celebrated the 20<sup>th</sup> Anniversary of its Friendship Scholars Scholarship Program.

### *Armstrong Campuses*

- Armstrong Middle was recognized as a Bold Performing School by EmpowerK12 for exceeding expectations with achievement rate significantly above schools serving similarly high populations of priority student groups.
- Armstrong 8th grader Lena Ogunfidityimi's earned 2nd-place finish in the One World Writing and Public Speaking Contest.
- Friendship Armstrong is projected to earn Level 1 status on DC PCSB's ASPIRE for both its elementary and middle school programs for the first time in campus history.
- The campus also launched the Capital Experience Lab (CapX), providing immersive, project-based learning opportunities that connect students with real-world experiences.
- Armstrong's Performing Arts Department showcased its creative depth through multiple student-led performances — including *The Little Mermaid*, *Reimagine: A Journey Through Dance*, and the *Annual Spring Art Gala*.

### *Blow Pierce Campuses*

- Blow Pierce Middle was recognized as a Bold Performing School by EmpowerK12 for exceeding expectations with achievement rate significantly above schools serving similarly high populations of priority student groups.
- Blow Pierce Middle earned the title of #1 Middle School in Ward 7 based on DC CAPE academic performance and is projected to earn Level 1 status on the ASPIRE Framework for both Elementary and Middle campuses. Our Middle School scholars ranked #4 in Math and #5 in ELA citywide among Economically Disadvantaged students—a remarkable testament to their hard work and our teachers' commitment to excellence.
- Our youngest learners also shined brightly, earning the highest K–2 Median Growth

Percentile (MGP) on MAP assessments.

- Equally inspiring, our school community fostered a culture of belonging and engagement that led to a record low chronic absenteeism rate and the lowest truancy rate in recent school history. Together, we continue to prove what's possible when dedication, belief, and community come together for our scholars' success.

### *Chamberlain Campuses*

- EmpowerK12 recognized Chamberlain Elementary as a Bold Performing School for exceeding expectations with achievement rate significantly above schools serving similarly high populations of priority student groups.
- Friendship Chamberlain demonstrated strong academic and enrichment outcomes this year. Chamberlain Elementary achieved double-digit gains in ELA and math on the DC CAPE. Students achieved 1st place in the Junior STEM Division and were crowned Elementary Flag Football Champions, reflecting excellence both in STEM and athletics.
- The campus also won Friendship's Black History Quiz Bowl and established the Chamberlain Champion Garden, creating an outdoor learning space that connects academic learning to community engagement.
- To support college and career readiness, Chamberlain participated in college exposure experience by visiting Bowie State University.

### *Collegiate Academy*

- The Class of 2025 earned over \$20.5 million in college scholarships, maintaining a nearly 100% college acceptance rate. Graduates received prestigious awards such as Friendship Scholars, Posse Finalists, OSSE Scholars, and full-ride scholarships to top universities including American University, Cornell, and the U.S. Naval Academy.
- In Career and Technical Education, Collegiate's Distinguished NAF Academies in Health Sciences, Information Technology, and Engineering achieved outstanding results:
- Only D.C. school to advance to the National Anatomage Tournament in Las Vegas.
- 100% pass rate on the Fall 2024 Cybersecurity Credential Exam.
- 1st-place wins at the HOSA Leadership Conference in Behavioral Health and Sports Medicine.
- Collegiate athletics also continued to shine. The Football Team reached its third consecutive DCSAA Championship appearance, with multiple All-Met athletes and an alumnus drafted to the NFL. The Girls Basketball Team secured its 19th consecutive Charter League Title, underscoring a legacy of excellence.
- Through a \$40,000 USDA grant partnership with the Washington Youth Garden, Collegiate expanded its sustainability initiatives, linking environmental education with leadership development.

### *Online Academy*

- 92% of Learning Coaches (Parents) reported being “Satisfied” or “More than Satisfied” on the Panorama Family Engagement Survey.

### *Ideal Campuses*

- Ideal Elementary achieved double-digit gains in ELA on the DC CAPE.
- Ranked as the highest-performing middle school in Washington, D.C. according to the 2024 OSSE School Report Card.
- Exceeded Friendship network averages across all domains on the Spring School Climate Survey, reflecting strong student engagement, staff satisfaction, and a positive school culture.

### *Southeast Campuses*

- EmpowerK12 recognized Southeast Middle as a Bold Performing School for exceeding expectations with achievement rate significantly above schools serving similarly high populations of priority student groups.
- Southeast middle made significant growth in ELA and math on the DC CAPE.
- Southeast projects Level 1 performance for both campuses on ASPIRE for the first time.
- The school also reduced chronic absenteeism by 5% and achieved exceptional CLASS observation scores for classroom organization and emotional support.
- Students earned top honors in the FPCS STEM Fair (1st and 2nd place in the Elementary Division) and 2nd place in the FPCS Black History Quiz Bowl.

### *Technology Preparatory Academy Campus*

- The 2024–2025 school year was a standout for Friendship Tech Prep, showcasing student innovation, leadership, and academic distinction. Two seniors earned national recognition:
- Gates Millennium Scholar – Seth Martin (Carnegie Mellon University)
- QuestBridge Scholar – A’zarea Cunningham (Cornell University)
- Tech Prep’s NASA TechRise team became the only D.C. winner among 760 national submissions — a remarkable STEM achievement.
- Students earned \$5 million in scholarships, excluding federal grants, and secured top placements in the Districtwide STEAM Fair (1st place: Health Chip Project; 2nd place: Nebula Aid).
- Athletic teams excelled, winning Varsity and JV Boys Basketball and Flag Football Charter League Championships.
- The Tech Prep Debate Team ranked 8<sup>th</sup> out of 100 local teams, and several scholars represented the school at national and international enrichment experiences, including the National Geographic Photography Camp in Japan and the Youth Leadership Forum at Emory University.

### *Woodridge International Campuses*

- Friendship Woodridge made network history as the first FPCS campus ever recognized as a National Blue Ribbon School — a milestone achievement since the network's founding in 1997.
- Academically, Woodridge ranked #5 citywide for Math Growth (+13 percentage points) and among the Top 10 in D.C. for ELA and Math Growth for the economically disadvantaged student group. The middle school posted double-digit CAPE math growth, reinforcing the effectiveness of its instructional model.
- Woodridge also celebrated Mr. James Davis as Friendship PCS Teacher of the Year and reported the highest staff satisfaction rate network-wide (Engage Survey, Fall 2024). The school's National Junior Honor Society Chapter earned the Pillar Award for Service Excellence, a national recognition for community impact.
